In Surface • Flush Mount

Powerspot

APSP-1P1UC-72-B

Standard Features:

- In surface, round, flush-mount power unit. Versatile. Compact, low profile design allows you to mount the unit in more places than ever before. Fast Device charging
- Receptacle configuration options:
    1 Power / 1 USB / 1 USB-C
- Fast Device Charging. All models provide two USB charging ports (5V, 3.1A total) one USB Type A and one USB Type C, ensuring that all of your devices charge as quickly as possible
- Versatile. Compact, low profile design allows you to mount the unit in more places than ever before
- UL Spill Water Compliant. Passed UL 962A spill water test requirements so it can even be used in a horizontal surface such as a table top
- Hole cut out dimensions: 2.5" diameter
- 72" and 120" cords available

Configurations:

-1P1UC

Colors:

-W	-B	-N
White	Black	Nickel

Port

APRT-2P-120-W

Standard Features:

- Clean and simple flush mount design that compliments a wide range of aesthetics
- For mounting in hard surface
- Bezel and receptacle housing: molded plastic
- Receptacle configuration options:
    2 Power
    1 Power / 1 USB / 1 USB-C
- USB charging ports 2 amps each
- UL and CUL listed
- AC receptacles with Spill-Proof Technology
- 72" and 120" cords available (we suggest 120" for most applications)

Configurations:

-2P   -1P2U   -1P1UC

Colors:

-W	-B
White	Black

Ensemble

AEMB-2P1UC-72-B

Standard Features:

- Versatile. Compact, low profile design
- Receptacle configuration options:
  - 2 Power / 2 USB
  - 2 Power / 1 USB / 1 USB-C
- Models have tamper-resistant receptacles to keep little fingers away from danger
- Fast Device Charging. Two USB charging ports (5V, 3.1A total) ensuring that all of your devices charge as quickly as possible
- UL Spill Water Compliant. Passed UL 962A spill water test requirements so it can even be used in a horizontal surface such as a table top
- Available in three attractive finishes: black, white and nickel, so you can match or complement any furniture style. Included bezel hides the mounting screws for a cleaner look
- Pass-thru plug allows you to connect the power center to any outlet, even one that is already being used

*Open Port Voice/Data Adapter Kits

Voice/Data Adapter Tree

Voice/Data Adapter kits are included with all power access devices that are configured with Open Ports.

The Voice/Adapter kit allows jacks and couplers to be used in any power access device that is configured with Open Ports.

Choose the appropriate adapter, install your jack or coupler and snap it into place into the Open Port's modular window.

Adapter trees are delivered in black or white to match your device. Note: for configurable units only.

Warranty Information

Prices: All prices are F.O.B. the factory. Prices and specifications are subject to change without notice. Prices do not include applicable taxes, special handling or installation charges. Possession of a price list is not an offer to or agreement to sell. We reserve the right to change prices without notice. We are not responsible for typographical errors. In the event a price or description is found to be incorrect, the correct information will be communicated to you when the order is received.

Credit Terms: Open account status is only granted after a completed credit application is received and approved.

Payment Terms: Terms for open account are net 30 days. Terms for orders without open account will be determined by Mediatechnologies LLC on an order-by-order basis and may require prepayment or a 50% deposit with order and the balance prepaid before shipment.

Orders: Orders must be in writing. Faxed orders are acceptable. Processing of orders will not begin until a signed acknowledgment is received.

Acknowledgments: Orders are accepted, manufactured and invoiced based on written acknowledgments issued by Mediatechnologies LLC. All orders are considered correct as acknowledged. Notify Mediatechnologies LLC immediately of any order discrepancies. Acknowledged orders may not be changed or canceled without written consent from Mediatechnologies LLC.

Changes to orders: Changes to orders already in process may be subject to a fee covering the cost to make the requested change. If a fee is necessary a written authorization of acceptance will be required. All requests for changes are subject to approval by Mediatechnologies LLC.

Cancellation of orders: All orders received by Mediatechnologies LLC are considered firm and cannot be canceled without our approval. A cancellation fee may be required based upon cost incurred by Mediatechnologies LLC prior to receipt of a cancellation request.

Returns: Returns are not accepted without a Return Goods Authorization issued by Mediatechnologies LLC. Unauthorized returns will not be accepted. Returns may be subject to a restocking fee.

Shipping Terms: All orders will be shipped F.O.B. shipping point with freight charged collect. Shipping weights listed are net.

Routing: Shipments will be routed "best way" or as specified. Instructions will be followed as closely as possible, however, Mediatechnologies LLC reserves the right to make changes due to local conditions or other circumstances.

Freight Damage: Legal title to merchandise passes to the buyer upon acceptance by the carrier. All cartons must be carefully inspected at the time of delivery. Visible damage should be noted on the delivery receipt. In the case of concealed damage, the carrier must be notified within (5) days. It is the buyer's obligation to seek recourse against the shipper.

Shortages: Shipments should be inspected upon receipt for shortages. Shortages must be reported to Mediatechnologies LLC in writing within (5) days of receipt.
