AZ-2P2U1O-72-W

General Specifications

Table Top: Table tops are 1" thick engineered wood core with .050" high pressure laminate top surface and .030" phenolic backer. Edges are 3mm PVC. Corners on rectilinear tops are square with a 1/8" radius.

Base Assembly: The base assembly is fabricated from 1" thick engineered wood core with premium grade oak or maple faces or HPL faces. Edges are 3mm PVC.

Leg Assemblies: Legs are fabricated from 5/16" plate steel and include a curved profile with a square mounting plate. The bottom of each leg is fitted with a threaded weld nut and 1-7/8" black leveling glide.

Power/Connectivity: Power/connectivity units are offered as an option, each table can accept one unit. The unit will be mounted centered in and flush to the top surface and are liquid resistant.
