W4854

48" WIDE FREESTANDING & MOBILE UNITS

- High pressure laminate worksurfaces
- Backs are 3/4" engineered wood
- Cabinet material options include Thermally fused laminate, high pressure laminate and veneer.
- Steel frame is 11-gauge 1-1/4" square steel tubing. Frame assembly is attached to the cabinet using wood screws.
- Freestanding units use 1-1/2" diameter steel legs. Legs are equipped with leveling glides and attach via threaded inserts on the underside of the steel frame assembly.
- Mobile units use casters that attach via threaded inserts on the underside of the steel frame assembly.
- Freestanding steel support legs and mobile casters use the same threaded inserts and are interchangeable.

Specify powder coat, PVC color and laminate choices separately. See **mediatechnologies'** Finish and Color Guide for choices.

Oak or maple for wood edgeband and veneer.
