

“How do I add finishes to...”

Cake Display

Select your Cake Display model from the mediatechnologies Cake Display Price sheet by model number.

Follow the Step-by-Step method to tell us how you want your Cake Display finished. Make sure you indicate your finish choice for each step below in your purchase order. We will list your choices as notes below each individual model number in your order acknowledgement.

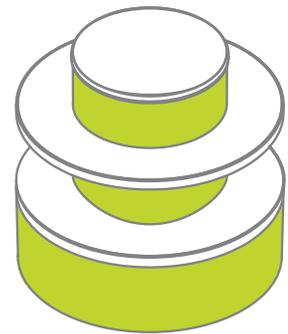

A break down of the Cake Display model number is shown to the right.

Step 1: Select HPL or Veneer for vertical surfaces.

See our selection of finish choices at <https://www.mediatechnologies.com/resources/finishes>

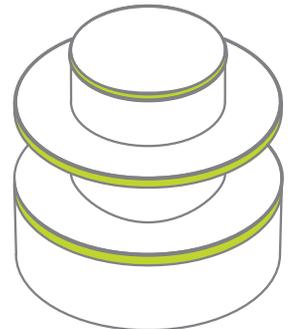

Enter your selection on “Vertical Surfaces” line on the last page of this designator. **Note:** vertical surfaces must either be all HPL or all veneer. Not a combination of the two.

Step 2: Select (C) PVC or (F) Wood edges, as applicable.

See our selection of finish choices at <https://www.mediatechnologies.com/resources/finishes>

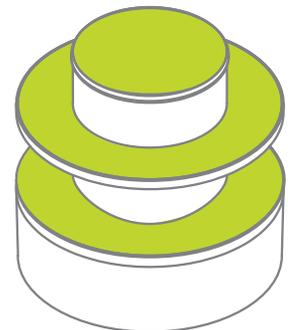

Enter your selection on “Edges” line on the last page of this designator. **Note:** All edges for HPL Cake Displays must be (C) PVC and all edges for veneer Cake Displays must be (F) Wood.

Step 3: Select HPL for all horizontal surfaces.

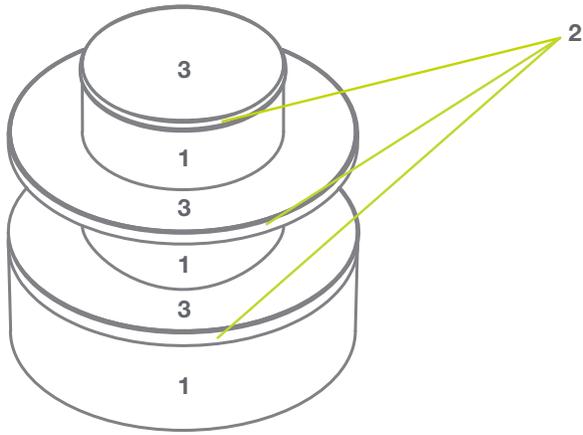

See our selection of finish choices at <https://www.mediatechnologies.com/resources/finishes>

Enter your selection on “Horizontal Surfaces” line on the last page of this designator.
