## ROCKFORD JUNIOR

Tables
General Specifications
Work Surface: Table tops are 1-1/4" thick, with a 1-1/8" thick, three-ply particleboard core with .050 high-pressure laminate top and a .030 " or thicker phenolic backer. Edges are 3 mm PVC.
Adjustable Leg: Each leg is composed of an outer steel tube and an inner steel tube that can slide within it. The outer steel tube has a welded mounting plate that is $1 / 8^{\prime \prime}$ thick steel, welded to outer leg at the top and a reinforcement gusset of $1 / 8^{\prime \prime}$ thick steel, welded to mounting plate and outer leg. The outer tube also includes an inner ABS collar that prevents marring of the inner tube finish while sliding during adjustment. Each leg is provided with a leveling glide at the bottom.

Outer Tube: 14 gauge steel, $1-1 / 2^{\prime \prime}$ outer diameter, approx. 1-1/4" inner diameter. Perforated near the bottom with pass thru holes for (2) adjustment screws.

Inner Tube: 14 gauge steel, 1-1/4" outer diameter. Perforated and tapped for adjustment screws on $1^{\prime \prime}$ center to center distance providing for an adjustment range of 4 ". Adjustment screws must thread into inner leg and not just contact it.
Gusset: $1 / 8^{\prime \prime}$ thick steel, welded to mounting plate and outer tube
Mounting Plate: $1 / 8^{\prime \prime}$ thick steel, welded to outer tube and gusset. Each leg is mounted to the table with seven (7) 1" \#12 wood screws. Insert \& machine thread screw (metal-to-metal) available upon request.

Finish: See mediatechnologies ${ }^{\circledR}$ Finish and Color Guide for choices.

Note: Adjustable table height range is 14.25 " to 24.25 " with glides. The addition of casters to each leg will raise the table height range to $16.25^{\prime \prime}$ to 26.25 ". Wheelbarrow configuration (a combination of glides and casters) will reduce the adjustable height range to 16.25 " to 24.25 ".

| Set Up Charges and Upcharges for Non-Standard and Custom Finishes |  |  |
| :--- | :--- | ---: |
| Model Number | Description | List Price |
| Group 2 Powder Coat | Set up charge, per color, per order, for Group 2 Powder Coat | $\$ 312$ |
