See **mediatechnologies'** finish choices  
<https://www.mediatechnologies.com/resources/finishes>

## General Specifications

Desks will ship unassembled to allow for total flexibility. Onsite assembly can choose to install legs and peds on the side of their choosing to be left or right handed.

### Work Surface:

Tops are 1¼" thick, three ply 45# particle board construction with .050" high pressure laminate top surface and a .030" phenolic backer. Edge is 3mm PVC with a 1/8" radius top and bottom. Tops are attached to the end and modesty panels with steel L brackets. Top to receive (2) 80mm grommets on thirds.

### Case & Modesty:

Cabinet is constructed with 3/4" thick engineered wood with either thermally fused laminate or high-pressure laminate box finish and 3mm PVC.

Cabinets with drawers receive full extension 100# ball bearing drawer slides. Cupboard storage units have concealed hinges with an adjustable shelf. Mobile cabinets use (4) casters that attached plate mounts.

Decorative arched 96mm black door pulls equipped for doors and drawer fronts. Cabinet(s) can be positioned on the left or the right from the user position. Matching 9"H modesty panel supplied with desk.

### Steel Leg:

For single pedestal desks, two 2" diameter powder coated steel post legs are supplied to support. Base is fitted with twin wheel locking casters. Finish shall be powder coat, manufacturer's standard colors.

### Castors:

Castors shall be 60mm twin wheel swivel casters with brake, rated at 100# per caster.
