General Specifications

Back Panel: Back panel is 3/4" thick melamine x 57-34"D x 81-19/32"H. Panel is attached to left and right end panels via (3) Mod-eez clips per side for a total of 6 clips.

End Panels: End Panels are 1" thick melamine x 18-11/16" D x 81-19/32"H. Panels are banded with 3mm PVC on all edges.

Top: Top consists of the main top and a sub-top for rigidity. Main top is 3/4" melamine x 24-3/4" D x 59-3/4"W. Edges are banded with 3mm PVC on all sides. Sub-Top is 3/4" Thick melamine x 22"D x 57-3/4"W and is attached to Top and side panels via wood screws.

Base Assembly: Fully Upholstered Base is constructed of 18mm plywood frame with a 2" thick high density upholstery foam seat cushion. The base is fully upholstered. The base assembly sits on 4 self-leveling glides.

Tapered Side Cushions: Sides cushions are 2360 upholstery foam constructed on an 11/16 particle board core. The thickness of each side cushion is tapered from 3" thick at the top to 12" thick at the base. Each tapered side cushion is attached to the unit with high strength hook and loop fasteners.

Open Storage Base: Base is constructed of 1" thick melamine. Panels are banded with 3mm PVC on all edges.
