

SLATWALL PINWHEEL TOWER DISPLAY

Display

General Specifications

Four 1" thick engineered wood panels with high-pressure laminate faces and 3mm PVC banding on all exposed edges, arranged in a "pinwheel" construction. Each fully exposed face is slatwall. Slatwall slats are on 6" centers. Panel-mount casters are mounted to the display base. Corners on display top are radiused.

Display shelves for DS-2366-L-SWPDT are not included but available separately. Contact your mediatechnologies Sales Representative.

Four metal shelves are included and mounted to each side of DS-2366-L-PDT-FMDS.
