## ORBIT Single Column Base Tables

- Low profile powder coated steel disc base is fitted with mini leveling glides, sits flat on the floor and provides the stability and mobility required for a freestanding table. 3" and 6" column diameters.  
*\*Note: 32" disc base does not include leveling glides. Leveling glides for this base are available with an upcharge.*
- Round and square tops with high-pressure laminate work surface and several edge profiles available.
- Tables available in 29", 36" and 42" heights.
- Square tables available with radiused corners.
- Flip top option available with single column base Orbit tables.

## To Order, Choose Finish Selections & Options

**Work surface:** Choose from our selection of high-pressure laminates.

**Base:** Choose from our selection of powder coats.

**Edge:** Choose from our selection of PVC or wood edgebands.

See mediatechnologies' Finish and Color Guide for choices at [www.mediatechnologies.com](http://www.mediatechnologies.com).

#### EDGE TYPES

#### WIRE MANAGEMENT

Wire management model has 4" dia. column and a step-up plate beneath the work surface. Cable exits beneath the disc base.

### General Specifications

**Table Top:** Tops are 1-1/4" thick, three ply engineered wood construction with .050" high-pressure laminate (HPL) and a phenolic backer sheet. The edges specified for this product include: 3mm PVC ("C" prefix to the table size in the part number), 3mm hardwood ("E" prefix to the table size in the part number), 5/8" hardwood bullnose ("G" prefix to the table size in the part number), 1-1/4" hardwood bullnose ("L" prefix to the table size in the part number), Reveal, 5/8" hardwood with 3/8" radius and reverse bevel ("R" prefix to the table size in the part number), 1-1/2" hardwood flip knife edge ("S" prefix to the table size in the part number) and 5/8" Heritage hardwood edge ("W" prefix to the table size in the part number).

**17", 22" & 27" Disc – Single Column:** 14-gauge, 3" diameter column, 5/16" thick steel disc plate (size varies depending on table top dimension), 11-gauge stamped steel mounting plate, 9.5" x 9.5". Mini-levelers come standard and will position the base 3/8" off floor.

**32" Disc – Single Column:** 16-gauge, 6" diameter column, 5/16" thick steel disc plate (size varies depending on table top dimension), 4-gauge stamped steel mounting plate, 12" x 12". Standard column base comes with no levelers. Optional levelers are available for an upcharge. Optional levelers will position the base 1" off the floor.
