

(Harter) Forum®: Lounge & Ottoman—Upholstered

Design by Timothy deFiebre

(Harter) Forum: Lounge & Ottoman—Upholstered

With the Forum collection, award-winning designer Timothy deFiebre expands a former Harter product group from the past. When specified with a wood shell, Forum brings a clean edge and luxurious combination of materials to classic executive environments. Of course, its pure, modern lines are equally at home in remote offices, lounges and spas.
