Tools Required:

Phillips head screwdriver

STEP 1- Assembling table

Assemble legs, leg plates and aprons to underside of top. See "Bookmark Table Leg & Apron Assembly Instructions".

STEP 2- Aligning and attaching stick holders

Attach stick holders to either side of opening on top as shown, using #8 x 2" screws, by screwing through top from below.

- Use a $\frac{3}{16}$ " drill if clearance holes shown in top are not pre-bored.
- After mounting the first holder, use a newspaper stick to aid in aligning the second holder on the opposite side of the opening.
