

# “How do I add finishes to...”

## Drift Picture Book Unit (HPL with Steel Back)

**Select** your desired Drift Picture Book from the mediatechnologies Drift Price sheet by model number.

**Follow** the Step-by-Step method to tell us how you want your Drift Picture Book Unit finished. Make sure you indicate your finish choice for each step below in your purchase order. We will list your choices as notes below each individual model number in your order acknowledgement.

To the right is a simple explanation of a mediatechnologies Drift Picture Book Unit model number.

**Step 1:** Select powder coat for perforated steel back panel and steel bump outs.

Choose from our selection of finishes.

See our selection of finish choices at

<https://www.mediatechnologies.com/resources/finishes>

Enter your selection on “Steel Back & Bump Outs Powder Coat” line on the last page of this designator.

**Step 2:** Select high pressure laminate for top, side panels, divider panel and base shelf.

Choose from our selection of finishes.

See our selection of finish choices at

<https://www.mediatechnologies.com/resources/finishes>

Enter your selection on “Top, Side Panel, Divider Panel & Base Shelf HPL” line on the last page of this designator.
