# 31 Series Modular Shelving

## FEATURES

- **Endpanels:** Standard: 1" thick hardwood plywood. Initial panels to coordinate with our other design lines are also available.
- **Steel Structural Frames:** Welded assemblies of 1" square tubing are bored to accept connector hardware. Standard powdercoat finish is black, others may be specified. Full wood back panels may also be specified as an alternate.
- **Tops:** Wood tops are standard on all units.
- **Adjustable Steel Shelves:** A deep front return bend and an upturned bookstop bend in the rear give these shelves exceptional rigidity.
